Curriculum Planning and Aims

Following EDB guidelines from the Guide to the Pre-primary Curriculum, our teachers adopt a child-centred approach to lesson planning. We implement the Integrated Curriculum and the Picture Book Teaching Method to enhance students' learning abilities. Our school prioritises biliteracy and trilingualism, offering engaging daily activities and lessons conducted in Putonghua and English. Daily English lessons, delivered by native English teachers, last approximately 60 minutes and integrate the EDB curriculum with the direct method, focusing on phonics, oral skills, thematic learning, songs, and stories. Additionally, K1 mathematics is also taught in English.
