School History

Kiangsu Chak-wing Primary School was founded by Kiangsu Chak-wing Residents (K.R.) Association in 1953. It is a school with a long history and high educational standards. Kiangsu Chak-wing Nursery is one section of the school.

Education Specialty

We are a non-profit making private school adopting Chinese Putonghua as the medium of instruction. The school emphasizes a balanced, structured and all-round development for children. A session is taught by native English speakers daily to encourage children to be bilingual and even multilingual.

School Policies

The school offers the new elective courses, which are divided into six major categories: Science, Art, Physical Education, Sports, Health and Internship. All the courses are designed in accordance with the Chinese and Western moral, intellectual, physical, communal, aesthetic developments in regards to knowledge, attitudes and skills. The curriculum and assessment is designed according to the five Developmental Objectives and the Six Learning Areas for Children, set out in the Guide to the Pre-primary Curriculum which is recommended for use in pre-primary institutions by The Education Bureau.

Environment

The total area of Kiangsu & Chak-wing Primary School campus is 45,600 sq.ft. There are three outdoor and two indoor playgrounds which are equipped with play facilities and safety cushions. This play environment is ideal for enhancing the development of children's balance and co-ordination skills.

Major Activities

We have three major activities: Chinese New Year, Christmas Day and New Year Eve. All students are involved in the activities and they are held on campus. Students are encouraged to participate in these activities and enjoy themselves.

Teacher Qualifications

All our teachers are registered with the government. They are well trained and specially qualified early childhood educators who have all the teaching skills necessary to teach to the highest standards expected in the Nursery. The school also promotes teaching observation between teachers periodically, and arranged interactive activities between teachers and children. This serves to enhance a high professional level and teaching quality. The ratio between teachers and children in the Nursery is 1:14.

The Parents-Teachers Association

Parents are the first teachers of their children and we regard them as our partners in early childhood education. The Parents Teachers Association of Kiangsu & Chak-wing Primary School was established in 1954, to promote parents' participation and co-operation with the school. The PTA organizes Christmas party, spring outing and seminars every year. They also grant The Amazing Child awards and scholarships to the children during the school year.
